SKILLS

- **Languages:** C++, JavaScript, C, Java, Python
- **Frameworks:** HTML and CSS, JUnit
- **Tools/Platforms:** MySQL, Jira, Selenium Ide, Selenium Web
- **Soft Skills:** Critical Thinking Skills, Collaborative, Flexible, Keen Observer

PROJECTS

Online Shopping Application | CPP, TestNG, JUnit | [Github](#) Since Nov'25

- Built a Selenium WebDriver and TestNG automation framework using Maven and Page Object Model.
- Performed end-to-end testing of an e-commerce website including login, navigation, and cart operations.
- Identified and logged UI/functional bugs, improving application quality by 80% and reducing manual effort.

AI Language Tutor |HTML CSS | [Github](#) May'25

- Designed and formulated an AI-powered conversational assistant capable of adapting to individual user language levels 89% and communication styles.
- Integrated machine learning models (transformer-based architecture / GPT APIs) to enhance fluency 60% support, grammar correction, and vocabulary suggestions.
- Conducted testing using JUnit /Selenium / custom test cases to validate performance, accuracy, and conversational quality 90%.

TRAINING

Data Structure and Algorithms- Lovely Professional University| [Certificate](#) Jun-Jul'25

- Accomplished hands-on training applying core programming concepts with focus on clean coding, debugging, and problem-solving
- Gained proficiency in key data structures and algorithms, enhancing efficiency and code optimization.
- Built an AI-based language Tutor offering interactive learning, grammar correction, vocabulary support, and personalized feedback using optimized algorithms.

Web Development using Html, CSS, JavaScript |[Certificate](#) April-May'25

- Completed hands-on front-end development training focused on building functional, user-friendly interfaces.
- Gained proficiency in HTML, CSS, and JavaScript, including responsive design and interactive UI features.
- Constructed responsive, interactive web pages using modern front-end practices and clean design principles.

CERTIFICATES

Data Structure and Algorithms | [LPU](#) Jun'25

Introduction to Hardware and Operating Systems |[IBM](#) May'25

Cloud Computing | [NPTEL](#) Feb'25

ACHIEVEMENTS

Secured 7th rank in HackQuest: CTF challenge-Intra-University Tech Fusion

Maintained 30-day LeetCode DSA streak: May'25

EDUCATION

Lovely Professional University Phagwara, Punjab
*Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.4*** Since August 2023

Delhi Public World School Jamshedpur, Jharkhand
*Intermediate; **Percentage: 76%*** April 2021 - March 2023

Delhi Public School Jamshedpur, Jharkhand
*Matriculation; **Percentage: 89%*** April 2019 - March 2021
